Logan County COVID-19 Update, March 14, 2023

Logan County's COVID-19 Community Level decreased to 'Low' this week. As a reminder, the COVID-19 Community Level is based on three factors:

- Total new COVID-19 cases per 100,000 population in the past seven days
- New COVID-19 admissions per 100,000 population in the past seven days
- Percent of staffed inpatient beds occupied by COVID-19 patients

The table below shows how Logan County is doing compared to the metrics created by CDC:

Metric name	CDC baseline	Logan County data as of 3/14/2023
New COVID-19 cases per 100,000 population last seven (7) days	<200	94.2 Increased from last week
New COVID-19 admissions per 100,000 population last seven (7) days	<10.0	4.4 Decreased from last week
Percent of staffed inpatient beds occupied by COVID-19 patients last seven (7) days	<10.0%	2.3% Same as last week

Logan County's COVID-19 Community Level decreased to 'Low' this week. The COVID-19 case rate remains below the baseline of 200, the COVID-19 hospitalization rate is below the CDC threshold of 10 and the percent of staffed inpatient beds occupied by COVID-19 patients is below the CDC threshold of 10.0%.

If you identify any clusters of COVID-19 cases, we recommend you take measures to prevent any further spread. The Logan County Health District strongly recommends everyone to be vigilant in their prevention efforts. If you or a loved one is sick, stay home. Maintain good indoor air quality. Follow isolation and quarantine guidelines when they apply to you and your family. Have a supply of COVID-19 tests available in your home in case anyone gets ill. Get yourself and your family fully vaccinated against COVID-19.

The Logan County Health District has COVID-19 vaccinations available for all eligible age groups, including those that have yet to get their first COVID-19 vaccination. It's never too late to get the vaccine.

The Logan County Health District also has free COVID-19 test kits available. To order yours, visit https://www.loganhealthohio.gov/covid19-test-kits. You can also order free COVID-19 test kits and have them delivered through the mail. To order your free mail order COVID-19 test kits, go to www.covidtests.gov
