Plumbing Contractor Registration for 2024

Logan County Health District Regulation No. 46 requires the annual registration of persons that are:

- Persons engaging or intending to engage in the business of installing commercial plumbing, or 1, 2 or 3-family residential dwellings, or a plumbers limited registration (for manufactured home placement contractors or water condition business) need to be registered with the Logan County Health District.

Requirements for Commercial Plumbing Contractors

- The fee for Commercial Plumbing Contractors is **\$130.00** (Includes Residential)
- A New Application Filled Completely out (annually)
- Please supply a copy of your State License for our files
- We require a copy of the current certificate of insurance indicating the business has a minimum of \$300,000 liability insurance.
- If you are registering as a commercial plumbing contractor in our county, you do not need to register as a residential plumbing contractor also.

Requirements for Residential Plumbing Contractors

- The fee for a Residential Plumbing Contractor is **\$130.00**
- A New Application Filled Completely out (annually)
- We require a copy of the current certificate of insurance indicating the business has a minimum of \$300,000 liability insurance.

Requirements for Limited Plumbing Contractors

- The fee for a Limited Plumbing Contractor is **\$97.50**. (*Example of Limited Installer is: Water treatment equipment installer, water heater installer, property/building maintenance person*)
- A New Application Filled Completely out (annually)
- We require a copy of the current certificate of insurance indicating the business has a minimum of \$300,000 liability insurance.

Fees and Applications can be paid starting December 1, 2023

Apps Can be emailed to: plumbing@loganhealthohio.gov

Please contact Chandler Wren (Plumbing Inspector) at 937-651-6195 if you have questions.
