

February 22, 2023

To: Board of Logan County Commissioners
Chief Executives of Logan County Municipal Corporations
Boards of Logan County Township Trustees

Subject: Annual Meeting of the Logan County Health District Advisory Council

Dear Member:

Pursuant to Section 3709.03 of the Revised Code, you are hereby given notice of the annual meeting of the Logan County Health District Advisory Council to be held at 6:00 p.m. on Thursday, March 23, 2023, in the Grange Building at the Logan County Fairgrounds. The Logan County Trustees Association Quarterly meeting is to be held afterwards at approximately 7:00 p.m.

There is a District Advisory Council (DAC) section on the Logan County Health District's website <https://loganhealthohio.gov/dac>. The 2022 DAC minutes, 2023 DAC agenda, Logan County Health District's 2022 Annual Report, and any other information for the DAC will be posted at this location on the website. Copies will be available at the meeting but will not be mailed to each member.

The purpose of this meeting is to elect DAC officers for 2024; appoint a 5-year member to the Board of Health; review and consider the annual report and special reports of the Board; and make recommendations in matters for the betterment of health and sanitation within the district or for needed legislation.

The term of Board of Health member Mr. Bob Harrison is expiring, and he will not seek reelection. Be advised that Ohio Revised Code requires that one member of the Board be a physician, and that due regard shall be used to appoint members so that all areas of the district shall be represented. One member is also required to be from the City of Bellefontaine. Both of these requirements are currently met by current members of the Board.

Legislative bodies of Logan County municipal corporations and Boards of Logan County Trustees may select an alternate from among themselves to serve and attend this meeting if the President, Chief Executive, or Chairperson is unable to attend.

Sincerely yours,

Travis Irvan

Travis Irvan
Logan County Health Commissioner
