Ohio's Vaccination Program
A Phased Approach

During Phase 1 vaccine supply will be limited.

Vaccine administration will be focused on reaching critical groups.

PHASE 1A

- Health care workers and personnel, who are routinely involved with the care of COVID-19 patients
- Residents and staff at nursing homes
- Residents and staff at assisted living facilities
- Patients and staff at state psychiatric hospitals
- People with developmental disabilities and those with mental health disorders, including substance use disorders, who live in group homes, residential facilities, or centers and staff at those locations
- Residents and staff at our Ohio veterans homes
- EMS responders

*All available vaccines will be administered to those who **choose** to receive it.*

Ohio | MIKE DEWINE GOVERNOR OF OHIO | Ohio Department of Health | coronavirus.ohio.gov

Ohio's Vaccination Program
– A Phased Approach

During Phase 1 vaccine supply will be limited.

Vaccine administration will be focused on reaching critical groups.

PHASE 1B

GOAL: Save Lives
- Ohioans age 65 and older
- Those living with severe congenital, developmental, or early-onset medical disorders

GOAL: In-Person School by March 1st
- Adults who work in schools

*All available vaccines will be administered to those who **choose** to receive it.*

Ohio | MIKE DEWINE GOVERNOR OF OHIO | Ohio Department of Health | coronavirus.ohio.gov

*Presumed Recovered is defined as cases with a symptom onset date ≥21 days prior who are not deceased.

ACTIONS COMPLETED SINCE LAST SITUATIONAL REPORT:
- Received first shipment of Moderna COVID-19 Vaccine (100 doses). Began distribution of vaccine doses to those in Phase 1A of ODH's Vaccine Distribution plan via scheduled clinics at LCHD office. Statewide Vaccine information can be found at: https://coronavirus.ohio.gov/wps/portal/gov/covid-19/covid-19-vaccination-program.
- Held flu and other immunization clinics by appointment only. Call (937) 651-6186 with questions or to schedule.
- Continued monitoring of local and regional hospital bed situation as well as regional hospital census data.
- Provided two additional self-care, decompression session for LCHD staff stress due to overtime hours, public frustration, and the longevity of the pandemic.
- Continued to receive contact tracing assistance from ODH.
- Environmental Health staff continued to assist community planners to make indoor events as safe as possible.
- ODH continues accepting ALL retail and mask complaints.
- LCHD is still using COVID-19 email address for better communication: covid19@co.logan.oh.us.
  - If you have a COVID-19 business or mask complaint, call 1-833-4-ASK-ODH (1-833-427-5634) or share your complaint at: https://coronavirus.ohio.gov/wps/portal/gov/covid-19/responsible-restart-ohio/retail-location-complaints/retail-location-complatint-form
  - For COVID-19 calls requiring nursing assistance, call (937) 592-9040, enter 1 or e-mail covid19@co.logan.oh.us. LCHD has added an auto-reply to this e-mail account that contains instructions for frequent e-mail requests.
- Continued to provide additional programs and services including vital statistics (birth & death certificates), WIC, food inspections, immunizations (limited and by appointment only), TB Testing (by appointment only), Narcan distribution, newborn visits (via phone), OCTF program and CMH program.

LIAISON:
- Unified Command (EMA, MRH & LCHD) continued to meet on a bi-weekly basis.
- LCHD staff meets with school administrators and school nurses to provide guidance on a weekly and as-needed basis.
  - Developed new processes and documents for school nurses/administrators to use in school contact tracing.
- Attended weekly calls with Governor DeWine and ODH to understand new orders and guidance as well as weekly calls with ODH for vaccine guidance.

LOGISTICS:
- Tested carbon dioxide levels, promoting fresh air exchange and indoor air quality in schools, businesses and churches as cold weather brings more people indoors.
- Provided advice and worked with Logan County Commissioners on building improvements, air quality advances and other COVID-19 related updates using CARES Act funding.
- Continued prioritized contact tracing by contacting only the positive case and giving instruction for the positive case to complete their own contact tracing using providing written guidance.
- Continued using automated one-calls to notify positive cases of test results and isolation & contact tracing instructions.
- Updated LCHD technology to meet additional demands.

PUBLIC INFORMATION:
- 28 Social Media Posts with total reach of 66,436
- Situational Report sent to Chamber, Media, Staff, BOH, HCC, HAN
- Updated testing site information as needed.
- Ohio Hospital Association continues to share their dashboard showing current COVID-19 patient hospitalization data. It can be found at: https://ohiohospitals.org/News-Publications/COVID-19-Dashboard
