Ohio Deaths: 1,993 confirmed

Logan County Cases: 50 Total, 26 Confirmed, 14 Probable, 10 Antibody | Deaths: 0 Total, Recovered 33

- 63% Female, 37% Male

ACTIONS COMPLETED SINCE LAST SITUATIONAL REPORT:

- Submitted Contact Tracing Grant.
- Posted Contact Tracer/Coordinator job openings.
- Continued improvements on the contact tracing SOP.
- Inventory of the trailer supplies has been completed in preparation for POD planning.
- Posted new guidelines for antibody testing on the HCP tab at www.loganhealth.org
- Collected contact information on Congregate Living Facilities to communicate important surveillance and testing information.
- Logan County continues to receive PPE supplies from EMA.
- Email list for all dental practices in Logan County was completed and the following was emailed to all Dentists: CDC COCA Call: Guidance for Dental Settings during the COVID-19 Response -- June 3, 2020 at 2:00 - 3:00 PM Eastern Time.
- POD Essential Training sent to all LCHD Staff -Preparation for POD operations.
- A total of 164 business reopening proposals have been reviewed. Currently most are just reopening following the Governor's permission and new guidelines.
- Environmental staff have had discussions with local churches on social distancing and the sanitizing of surfaces and how campground operators have different standards regarding the allowing of visitors in their RV Parks.
- General social distancing questions are being addressed while still awaiting direction from Governor on reopening resident camps for overnight stays, playgrounds, scrimmaging for non-contact sports and practices for contact sports, plus interpretations on public auctions, festivals and fairs, billiards, darts, bingo and card tournaments, and public swimming pool restroom cleaning schedules and responsibilities.
- Most complaints received are about employees being observed working without masks or improperly wearing masks (such as not also having their noses covered).

LIAISON:

- Unified Command communicated weekdays. Began plans for next week on M-W-F only.
- Unified Command is dispensing all donated PPE in the county. Phone: 937-593-5743 with requests.
- A Prevalence Study is being started throughout the state by the Ohio Department of Health. Post cards will be sent out to 12,000 Ohioans. This random testing for COVID-19 will be done on 1200 individuals. This study is being done to help study this disease and how it behaves in our population.

LOGISTICS:

- Planning for partnering with ODH & Ohio National Guard (ONG) to test all staff at Long Term Care Facilities (LTCF). There are 960 Long Term Care Facilities on Ohio.
- Tests will be provided by the ODH/Ohio National Guard for LTCF staff.
- Logan County Strike teams may be the personnel to assist the ONG in the nursing homes.
